HB 2319 Disclose Act: An act requiring certain physician information to be disclosed to women seeking abortion, including whether any disciplinary action has been taken against physician, whether physician has malpractice insurance, and whether physician has clinical privileges at a local hospital.

Sub SB 85 Simon's Law: An act ensuring that life-sustaining medical treatment will not be withheld from a minor by a health care provider without the consent of a parent or legal guardian.

HR 6016: A resolution recognizing pornography as a public health hazard leading to a broad spectrum of individual and public health impacts and societal harms.

HB 2481/SB 284 Adoption Protection Act: An act ensuring the right of faith-based adoption and foster care service providers to serve children while operating in accordance with their sincerely held religious beliefs.
