

A CANDIDATE WILLING TO

Newborn Baby
TO DIE

DOES **NOT** DESERVE YOUR VOTE.

Melissa Ohden

Abortion Survivor and author of
You Carried Me, A Daughter's Memoir

"I truly believe I'm alive today not only because I was miraculously saved from death in the abortion, but also because life-saving medical care was right down the hallway for me, once someone decided they couldn't leave me to die."

Nurse Jan... courageously rushed me off to the NICU, shouting out, 'she just kept gasping for breath, and so I couldn't just leave her there to die!' I am one of the lucky ones — to not only survive an abortion, but to have someone fight to save me. But no one should have had to fight for me. **They should have been expected and mandated to do so.**"
