YOU CAN TELL A LOT ABOUT A *candidate* BY *who supports them.*

Paula Dickerson proudly displays these endorsements[1] on her web page:

Do these groups line up with **YOUR** *values?*

Abortion Groups: Groups that push abortion without limits[2] – and funded by taxpayers[3]

Anti-School Choice Group: A group that strongly opposes parental rights in education[4]

Left-Wing Groups: Including one that aligns itself with Alexandria Ocasio-Cortez[5] and other top progressives in Congress

Paula Dickerson is proud of these groups and their endorsement of her – or she wouldn't have featured them on her own website.

VOTE NO *on* PAULA DICKERSON

VOTE *Kevin Priola* FOR STATE SENATE

Kevin Priola doesn't have a bunch of NY and CA groups backing him.

But he does have the backing of Coloradans who believe, like he does, in:

- **The sanctity of human life**
- **Choice in education for Colorado parents**
- **Colorado common sense**

Will you join them?
