

YOU CAN TELL A LOT ABOUT A *candidate* BY *who supports them.*

Chris Kolker proudly displays these endorsements<sup>1</sup> on his web page:

**Abortion Groups:** Groups that push abortion without limits<sup>2</sup> – and funded by taxpayers<sup>3</sup>

**Social Engineering Group:** A group that pushes for taxpayer funding of transgender surgery, plus forcing female athletes to compete against biological males, and more<sup>4</sup>

**Left-Wing Groups:** Including one that aligns itself with Alexandria Ocasio-Cortez<sup>5</sup> and other top progressives in Congress

Chris Kolker is proud of these groups and their endorsement of him – or he wouldn't have featured them on his own website.

VOTE *Suzanne Staiert* FOR STATE SENATE

**Suzanne Staiert** doesn't have a bunch of NY and CA groups backing her.

But she does have the backing of Coloradans who believe, like she does, in:

- ✓ The sanctity of human life
- ✓ The importance of faith and family
- ✓ Common-sense Colorado values

Will you join them?
