Hello Senator/Assembly member _____.

My name is _____. I am contacting you in reference to Senate bill 3002 and Assembly bill 3000. As a member of the Education Committee, I want to encourage you to support these bills and to hear them in an upcoming committee meeting. Parents should be allowed to opt their children out of lessons and materials that violate their beliefs regarding sex and sexuality or be allowed funding to attend a school that respects their family's culture, traditions, and beliefs.

Note: *We suggest printing and filling in the blanks before calling your Senator to make it easier to read.*
